Hello friends. Due to the unexpected growth of my account & an email I received from a moderator, I decided to change my publication name. I also used the opportunity to update the photo.

From today on the Walking Holocaust Publication will be called ICØNØCLAST.

This does not reflect any change in my personal beliefs or the content of my writings.

Hail Victory.

Depopulation

This is another article taking aim at something that's generally associated with the left, and recontextualizing it.
